Pedigree: 2001/4/10
Price: Please Call Us

WesTrade's Umbro loves to work.

He is like a machine, so nice on the leg.

He is beautiful and is learning very fast.

The professional Dominique Fillion has trained him up to a level of Prix. St. George.

Dominique started him in the ZZ-zwaar for some more experience and they are getting percentages above 67%.

A potential for the Grand Prix
